What supplies will I need?

In an emergency, you may be stuck at home for three days or more. Work out what supplies you need for your household. Don't forget pets and those with medical and dietary needs.

Water for three days or more (at least 9 litres of water for every person).

Long-lasting food that doesn't need cooking (unless you have a camping stove or gas barbecue).

Toilet paper and large plastic buckets for an emergency toilet.

BBQ or gas stove to cook on

Make a household emergency plan

What would you do in an emergency?

Are you prepared for any of the following situations?

Talk to your whānau about how you will get through an emergency. Consider:

If you can't get home, where will we meet?

Who will pick the kids up from school/day care if we can't?

Who: Tel:

If we can't get hold of each other, who will we check in with?
