

**Purple Line - Maranui diversion pipe is a new pipe to assist with alleviating the Darley Drain Catchment and flooding**

**To help alleviate the flooding in the Darley Drain catchment water from the Maranui sub-catchment into Two Mile Creek catchment**

**Orange Line - Bund to store water to increase capacity in Two Mile Creek for the Maranui diversion water**

**To ensure flooding is not made worse with the water diverted from Maranui a bund is needed to store water from the Two Mile Creek catchment.**
