1. Purpose of Statement of Intent

In accordance with section 64 of the Local Government Act 2002 and the Local Government Amendment Act 2019, this annual Statement of Intent (SOI) publicly states the activities and intentions of the Western Bay of Plenty Tourism and Visitors Trust (Tourism Bay of Plenty) for the next three years. This SOI sets out Tourism Bay of Plenty's strategic framework, activities, and performance measures, as the basis of organisational accountability.

Tourism Bay of Plenty (TBOP) acknowledges the Enduring Statement of Expectations (ESE) and Letter of Expectation (LOE) from Tauranga City Council and Western Bay of Plenty District Council. These articulate the focus areas for TBOP that will contribute to advancing the western bay's economic prosperity.

2. About Tourism Bay of Plenty

TBOP is incorporated under the Charitable Trusts Act (1957) and is a not-for-profit entity, established to promote and manage the western bay sub-region as a visitor and tourist destination. TBOP is a Council Controlled Organisation (CCO) which is accountable to Tauranga City Council (TCC) and Western Bay of Plenty District Council (WBOPDC) through separate Letters of Expectation. TBOP is also accountable to Whakatāne District Council (WDC) by a separate Letter of Intent. This collective region is known as Te Moananui ā Toi | the Coastal Bay of Plenty.

3. Objectives of Tourism Bay of Plenty

TBOP's purpose, as described in its Trust Deed, is to promote the economic welfare and development of the western bay region and its citizens through destination marketing, destination management, and other related activities which impact on the region as a visitor destination. TBOP is also responsible for providing visitor information services in the region.

TBOP's role as a Destination Management Organisation (DMO) is to lead, advocate, and coordinate a cohesive, collaborative, and balanced approach to the promotion and management of the region. This is a partnership approach which requires genuine engagement with local communities, businesses, iwi, and stakeholder councils to ensure an enhanced visitor experience.

3.1 Alignment with Tauranga City Council's Community Outcomes

TCC have made a commitment to "put the community at the heart of everything we do" and to create a vibrant city. The *Our Direction Tauranga 2050* document explains the Council's strategic framework, outlining desired community outcomes, guiding further decision-making, and supporting its overarching *City Vision, Together we can*.

As per TCC's Letter of Expectations, TBOP will ensure its activity contributes to the following three TCC community outcomes, which align with the three pillars of the Council's City Vision:

- **We value and protect our environment and prioritise nature**

Tauranga is a city that values our natural environment and outdoor lifestyle, and actively works to protect and enhance it.

- **We are inclusive and lift each other up**

Tauranga is a city that recognises and promotes partnership with tangata whenua, values culture and diversity, and where people of all ages and backgrounds feel included.

- **We recognise we are an integral part of the wider Bay of Plenty region and upper North Island**

Tauranga is a well-connected city which makes a significant contribution to the social, economic, cultural, and environmental wellbeing of the region. It is a vibrant city where we fuel possibility by fostering creativity and innovation, celebrating arts and culture and empowering change makers to create a vibrant city.

3.2 Alignment with Western Bay of Plenty District Council's Focus

WBOPDC desires to have economic wellbeing integrated with environmental, social, and cultural wellbeing. WBOPDC value TBOP's Destination Management Plan, which has regenerative tourism at its core. Council supports regenerative tourism that aims to:

- Have net benefit across the environment.
- Improve residents' quality of life.
- Elevate Te Ao Māori.
- Add value to the economy.

3.3 Principal Objectives

TBOP takes the lead role in the sustainable growth of the visitor economy and destination management of Te Moananui ā Toi | the Coastal Bay of Plenty. TBOP's purpose is 'to lead the prosperity of our people and place through tourism'. As such, our principal objectives are to:

1. Provide leadership for the recovery of the Tauranga and Western Bay of Plenty District tourism sector following the COVID-19 pandemic.
2. Help manage and promote the reputation of Tauranga and the wider coastal region nationally and internationally, to increase awareness and appeal.
3. Create, identify, and support opportunities for tourism to have positive economic, social, cultural, and environmental outcomes for the region and residents.
4. Share positive visitor sector stories to engage communities and to demonstrate the value of tourism to local residents (i.e., maintaining social license).
5. Provide leadership, advocacy, and engagement across the visitor economy, in areas such as events, cruise, conferencing, destination management, destination marketing, and storytelling.
6. Participate in conversations with both councils and in their subsequent workstreams, in relation to the development of their strategic directions. This includes contributing to Long-Term Plan conversations, the Te Manawataki o Te Papa project, and other similar large-scale council projects or reviews.
7. Ensure the TBOP business continuity plan is up to date and that it includes contingency strategies, being mindful of relevant health and safety legislation whenever we're providing services to support the wellbeing of our communities.

As of June 2023, TBOP and TCC are working through the designation of the Brand Tauranga and wayfinding (digital kiosk) projects to TBOP. It is expected that both projects will be funded separately to TBOP's baseline funding, as outlined in Section 11.3 of this document. That said, TBOP is committed to continuing with the wayfinding project in the limited scope we had outlined prior to this development.

3.4 Operating Principles

TBOP will adhere to the 'Council Group' operating principles whereby:

- We deliver value for our communities through prudent financial management, ensuring we plan and provide affordable fit-for-purpose services.
- Sustainability and resilience underpin our decision-making and service delivery, protecting the future of our city.
- We work in partnership with tangata whenua, our communities, sub-regional stakeholders, and central government.
- We manage the balance between the social, economic, cultural, and environmental wellbeing of our communities.
- We listen to our communities and make transparent, evidence-based decisions.

TBOP is committed to employee wellbeing. As part of this, TBOP will continue to pay all staff the Living Wage as a minimum.

4. Approach to Governance

TBOP is a CCO of the Tauranga City and Western Bay of Plenty District Councils. The TBOP Board and management are committed to ensuring the organisation meets recommended best practice governance principles and maintains the highest ethical standards, as outlined in the ESE.

The TBOP Board of Trustees is appointed by both councils to govern and direct TBOP's activities. The Board is accountable to the councils for the financial and non-financial performance of TBOP. The Board works collaboratively with the councils to ensure a bilateral 'no surprises' relationship.

For transparency, TBOP will continue to publish up-to-date information online about what it does and how it operates on this page on our website: bayofplentynz.com/media-and-resources/resources/. TBOP will also consider the online publication of minutes of public sections of Board meetings.

The Trustees operate under the TBOP Code of Conduct and the Tauranga City Council Code of Conduct for Directors Appointed by Council-to-Council Organisations.

The Trustees delegate the day-to-day operation of TBOP to the General Manager (GM) of TBOP, who reports to the Board.

4.2 Tourism Bay of Plenty Trustees

As of 30 June 2023, the TBOP Board comprises the following trustees:

- Russ Browne (Chairperson)
- Jason Hill
- Clare Swallow
- Peter Blakeway
- Janine Tulloch

Note: Mana whenua trustee Charlie Rahiri resigned from the TBOP Board in May 2023 due to work commitments.

4.3 Communication Protocol

The Chairperson, Board members, and officers of TBOP will adhere to the following communication protocols with the councils, in addition to the formal reporting requirements:

- Regular governance-to-governance meetings with each council's Commissioners or Councillors.
- Presentations of the Six-Month Report and Annual Report to both councils.
- Two-way dialogue and consideration of each council's strategic priorities and objectives.
- A bilateral 'no-surprises' approach to governance and the management of the organisation.
- Consultation, prior to external release, of any significant changes and/or developments.
- Early notification and collaboration on key matters of risk or reputation.
- Appraise the performance of the TBOP Board of Trustees at a minimum of every two years, alternating annually between a Board-led review and a Council-led review.
- Share the details of any substantive engagement with central government and/or external agencies.
- Acknowledge our relationship with councils and use of logos where appropriate.

4.4 Statement of Intent

The draft SOI for the ensuing financial year will be provided by TBOP to the councils by 1 March each year. Feedback from the councils will be considered by 1 May, and the final SOI will be submitted by 30 June each year.

The draft SOI provides a three-year view, which is consistent with the ESE, to identify:

- An indicative rolling three-year forecast of performance and position.
- Identification of any significant intended expenditure.
- Any likely requests for increased funding from either council.
- Key actions or initiatives to deliver on the objectives of TBOP.
- Upcoming challenges, risks and opportunities for TBOP.

5. Nature and Scope of Activities

TBOP's purpose:

To connect and enrich people and place through tourism.

TBOP's growing role as a Destination Management Organisation requires it to *lead*, *advocate* and *coordinate* the visitor economy, while considering environmental, social, and cultural interests. We also need to ensure we preserve the region's unique identity and that visitor-related development is cognisant of the interests of local residents and iwi.

Lead	Advocate	Coordinate
<ul style="list-style-type: none">•Lead the sustainable growth of the tourism sector, for the benefit of our community.	<ul style="list-style-type: none">•Manage, develop and plan growth, taking into consideration social, environmental and cultural interests.	<ul style="list-style-type: none">•Work with public, private and Iwi led organisations as a key collaborator in order to make the region a more regenerative, compelling and attractive visitor destination.

Destination management is an ongoing process, which reflects the need for regions to plan for the future. Destination management brings different stakeholders together in a collaborative manner to achieve the common goal to which they are all committed: developing a well-managed, sustainable destination for locals and visitors alike. This requires inclusive and coordinated leadership. Destination management needs to engage residents, tourism enterprises, businesses, Māori (iwi and hapū), Regional Tourism Organisations, Economic Development Organisations, Tourism New Zealand, and local, regional and central government whenever necessary or appropriate. To be successful, Tourism Bay of Plenty requires support from our local councils.

To ensure effective planning for population and urban growth, councils can provide opportunities for TBOP to actively contribute their expertise and knowledge of the tourism industry and economic development. This will help to ensure effective destination management of the region going forward.

As part of this, TBOP commits to liaising with the appropriate teams at both councils to better understand the destination opportunities they have already identified, such as Te Manawataki o Te Papa, Mount Maunganui, TECT Park, and other recreational reserves, walking trails, cycling trails, and more.

5.1 Significant Areas of Activity

This section outlines the significant activities TBOP will undertake across Tauranga City and Western Bay of Plenty District. Activity will be apportioned per territorial authority area based on funding allocations, unless otherwise specified or if the activity is deemed to have regional benefit or there are extenuating circumstances that would require upweighting. Activity undertaken for Whakatāne District is project-based and is limited to direct funding received.

Note that in the previous financial year (2022-23), all activity was amplified by MBIE STAPP and TSRR funding. As such, while similar activity will be undertaken in 2023-24, the quantity or level of activity is likely to reduce.

6. Ratio of Funds to Assets

6.1 Ratio of Consolidated Funds

If the Trust is ever wound up, all assets will revert to both councils, to be held in trust for similar purposes. TBOP intends to keep the equity ratio equal to or above 0.5:1.0. The ratio is calculated as: equity divided by total assets.

Note that the expected reduction in reserves in 2023-24 (to make up for the decrease in funding) may result in TBOP not meeting this intention. The ratio position will be monitored and discussed with both councils during the course of the 2023-24 financial year.

7. Accounting Policies

Financial statements will be prepared in accordance with Tier 2 Public Benefit Entity Accounting Standards. The accounting policies that have been adopted are detailed in the Tourism Bay of Plenty Annual Report.

7.2 Transactions Between Related Parties

Transactions between the councils and TBOP will be conducted on a wholly commercial basis.

11.1 Funding Principles

There are six high-level funding principles:

- As a general principle, TCC and WBOPDC will provide ongoing funding to TBOP as a contribution towards operational expenses.
- The role of the councils is to hold TBOP accountable for the use of funds provided by TCC and WBOPDC, which will ideally be consistent with the councils' strategies.
- TBOP is encouraged to seek funding opportunities from the private sector and central government to maximise the best outcomes for the organisation and the region.
- The TBOP Board must be empowered with sufficient flexibility to determine the best use and allocation of funding to meet required levels of service to the community and visitors.
- TBOP is expected to meet the approved annual budget.
- Any net surpluses are to be disclosed through Six Month and Annual Reports.

11.2 Approach to Funding

TBOP receives an operating grant from both councils for the purpose of marketing and managing the destination. The operating grant is set through the Long-Term Plan (LTP) process, with the contribution from each council updated annually, in line with the Consumer Price Index (CPI), when TBOP creates its budgets for the coming year.

Council funding for additional operating grants and ad hoc new capital projects is to be assessed on a case-by-case basis through the LTP or Annual Plan process.

Notes:

- The deficit is a result of reduced TCC Airport funding.
- We have reserves to cover the deficit for 2024 and 2025, but will need extra funding for 2025 and 2026.
- Any reduction in reserves may result in TBOP not meeting the equity ratio KPI of 0.5 (as per section 6.1 Ratio of Funds to Assets). This will be monitored and discussed with both councils during the course of the 2023-24 financial year.
- Any extra funding obtained from other sources will likely be project-based, to supplement (and not replace) this core operational funding.
- We have estimated CPI increases on funding of 3%.

12. Estimated Value of Tourism Bay of Plenty

The TBOP Board estimate that the commercial value of the shareholders' investment in TBOP is represented by the net assets of TBOP. This value is calculated from total assets less liabilities.

13. Significant Decisions

In accordance with the TCC Significance and Engagement Policy, TBOP will not undertake any activity of a nature or scope not provided for in this SOI without prior approval of both councils. Specifically, prior approval would be required for TBOP to:

- Form any subsidiary entity.
- Purchase shares in any other entity.
- Dispose of any significant assets e.g., land or buildings.
- Purchase any significant assets e.g., land or buildings.
- Seek partnering solutions that involve the dilution of assets or the commitment of councils.

14. Termination

If any party wishes to terminate this three-year rolling arrangement, due to non-performance or any other substantive reason within the control of either of the parties:

- the party may give written notice to the other party specifying the issue and, if possible, requiring remedy within twenty-eight (28) days, and/or
- mediation is set to investigate any remedy of the issue, and/or
- if the issue is unable to be remedied to the party's satisfaction, the party must give written notice of its intention to terminate this arrangement from a date being not less than one year commencing the forthcoming 1 July (that is, the secondary party must have at least one full financial year's notice commencing on 1 July and ending on 30 June).
