

29 July 2022

Dear 

**Official Information Request - Councillor votes**

I refer to your official information request received by Western Bay of Plenty District Council on 21 July 2022 where you requested information pertaining to a range of measures of topical interest that current Councillor's have supported and/or opposed.

Your request specifically refers to votes taken on 3-Waters and He Puapua, of which we have provided links to minutes of meetings showing the resolutions on 3-Waters matters (**attached**). Council has had no discussions in relation to He Puapua.

If you would like to know each Councillor's position on a particular matter, then you are welcome to contact them directly. Their details are available on our website: <https://www.westernbay.govt.nz/council/mayor-and-councillors>. However, it may be more sensible to do so following the close of nominations for the election noting that not all of our incumbent Councillor's are seeking re-election. The nomination period closes midday, 12 August 2022.

Yours faithfully

**Rachael Davie**  
**General Manager Strategy and Community**
