BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE

THE APPLICATION

This application, received from Ora Handpicked Hampers limited, seeks a new off-licence endorsed under Section 35 and 40. The applicant is a private limited company and incorporated on 19 March 2026.

Adele Farac is the sole director and a shareholder of the applicant company. Shontelle Stretton is also a shareholder. Both Adele and Shontelle will be responsible for the day-to-day operation of the business. Shontelle Marie Stretton has been appointed as the manager of the premises and will be actively involved in the day-to- day operations for the business. She holds a certificate issued by Western Bay of Plenty District Licensing Committee(022/CERT/9022/2023), which will expire on 03 October 2026 unless renewed on time. Adele Farac holds an LCQ certificate and plans to apply for a new manager's certificate soon.

This application has resulted from the applicant intending to sell alcohol products as part of gift hampers along with a range of gift hampers, some with food items, giftware, soaps, beauty products, etc. The hampers will be sold online via a website and will be delivered using couriers noting that the applicant has specified that not all gift hampers will include alcohol.

The orders and gift hampers will be processed in Ōmokoroa. The house to be used as a base for the business operating under the off-licence.is situated at 22 Lynley Park Drive, Ōmokoroa.

The criteria found at section 105 of the Sale and Supply of Alcohol Act 2012 (the Act) applies to this application.

THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE ★ The Common Seal of

REASONS FOR THE DECISION

Police when reporting on the application in May 2026 raised no matter in opposition to the application but raises matters relating to an appeal before the Authority, a lack of detail in the application form, and some other matters. The full Police report has been provided to the DLC for context.

The MOH have not reported on this application. As per Section 103(4) of the Act the DLC can assume the MOH has no matters in opposition.

The application was publicly notified on the Western Bay of Plenty District Council website for 25 working days to allow the public time to object to the application, as per Section 102 of the Act. No objection was received.

FENZ when reporting did not raise any matters of concern.

Based on the information provided in the application and a meeting held with the applicant, the inspector considers the applicant's proposal for the sale and supply of alcohol is consistent with the purpose and section 105 criteria of the Act. Reporting that when inspecting the premises in late May 2026 she held a general discussion with Adele and Shontelle. She reports that both individuals appeared to be aware of their responsibilities under the Act. As no information has come to light to question the applicant's suitability.

An off-licence may be granted for this kind of premises because it meets the description found at both Section 35 and Section 40 of the Act. The licensee requires endorsement under Section 35, as the applicant intends to sell alcohol complementary to giftware and snack foods within gift baskets. The applicant has requested that the premises operate as remote sales only, meaning gift baskets containing alcohol will only be delivered to customers.

As the applicant is seeking a Remote seller off-licence Section 49 of the Act which states:

(1) A remote sale of alcohol may be made at any time on any day.

(2) Subsection (1) –

(a) Overrides the restrictions on sales imposed by sections 46 and 48; but

(b) Is subject to the restrictions on delivery by sections 48 and 59(1).

The Local Alcohol Policy stipulates the maximum hours for an off-licence are: 7:00 am. to 9:00 pm. Noting that there is no mention of remote sellers in the local alcohol policy the trading hours sought are allowed under section 49 of the Act and are not reflected in the Local Alcohol Policy.

A planning and building certificate were attached to the documentation as required under section 100 (f) of the Act. The proposed use of the premises meets the requirements of the Resource Management Act 1991 and the building code.

One room of the house located at 22 Lynley Park Drive, Ōmokoroa, (marked as lounge on the licensed area plan received by Western Bay of Plenty District Council on 22 April 2026)

has been allocated for the licensed area. This is where alcohol and other gift hamper items will be stored and the hampers will be packaged.

The applicant has requested no designation for the premises; the inspector sees no reason why a designated area is required.

The Inspector has no concerns with the design and layout of the premises.

The inspector reports that the applicant appears to have appropriate systems, staff, and training to comply with the law and has been made aware of the sections and regulations of the Act that would be applicable for Remote sales and was also given a Health New Zealand guidance document.

The following sections of the Sales and Supply of Alcohol Act are applicable and have been discussed with the applicant:

Summary of Comment

The Inspector is satisfied that the applicant has the appropriate systems, staff, and training to comply with the law. Alongside alcohol applicant intends to sell a range of goods including giftware (general merchandise, beauty products), and snack foods.

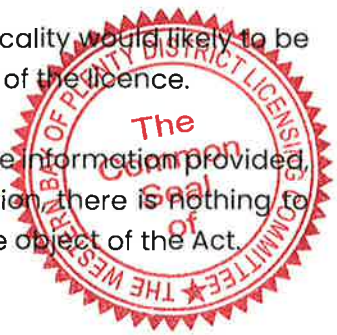

The premises that is situated at 22 Lynley Park Drive, a residential property in Ōmokoroa, is zoned medium density residential and is accessed from a driveway off Lynley Park Drive. There is no alcohol ban in Ōmokoroa. There are however several daycare centres (sensitive sites) within 400 metres of the premises, and a number of residential properties in close proximity. Due to where the premises is situated and that all sales will be made remotely it is highly unlikely that that there will be any issues relating to noise, nuisance and vandalism.

During the site-inspection there was no visual evidence of anti-social behaviour such as discarded bottles, cans or litter. There is no information to suggest the premises is associated with any criminal behaviour.

Due to the premises location and inconspicuous character of the house the visual amenity of the area will not be impacted in any manner by the issue of this license.

There is no reason to believe the amenity and good order of the locality would likely to be increased, by more than a minor extent, by the effects of the issue of the licence.

The inspector having inquired into the application, and based on the information provided, I have no concerns. Standing back and considering this application, there is nothing to suggest that the granting of this application would not achieve the object of the Act.

THE DECISION

The District Licensing Committee Chairman, acting pursuant to the Sale and Supply of Alcohol Act 2012 (the Act), **grants** a **Remote Off-Licence** to **Ora Handpicked Hampers Limited,** to trade from 22 Lynley Park Drive, Ōmokoroa, subject to the following conditions.

The Mandatory Conditions to be applied at all times.

1. Subject to Condition 3, **alcohol purchased as part of a gift hamper** may be sold from the premises at any time on any day, and delivered somewhere else for consumption off the premises;
2. No alcohol is to be delivered from the premises on Good Friday, Easter Sunday or Christmas Day or before 1:00 pm on Anzac Day;
3. **No alcohol is to be delivered to the buyer (or to any other person on the buyer's behalf) at any time after 11:00 pm on any day and before 6am on the next day;**
4. The licensee must follow the procedures set out in Regulations 14 & 15 of the Sale and Supply of Alcohol Regulations 2013 to ensure that neither the purchaser nor the person to whom alcohol is delivered is a minor.
