This event is to be of a small private event (approx. 60 attendees) by invitation only, and not ticketed. The event is a 21st birthday celebration and is open to all ages as family and friends are expected to attend.

REASONS FOR THE DECISION

The Police when reporting did not raise any opposition to the granting of a Special Licence for the proposed event.

The MOH have reported with no opposition made the following recommendation:

That two types of low-alcoholic beverages be available for consumption during the event. Keeping in mind when supplying low alcohol that low alcohol is considered anything from 1.15% to 2.5% alcohol by volume, but 0% is considered non-alcoholic. There are many varieties of low alcohol beer and cider options available and suggest a non-beer option as not everyone who wants a low alcohol drink likes beer".

Gradwell Bryn 022/Cert/9777/2025 will be responsible for overseeing the supply and sale of alcohol at the event.

The Inspector reports:

- Drinks per person per transaction has been limited to one.
- To minimise harm from drink driving at the events the applicant is providing local taxi information.

The Inspector after contacting the applicant and provided additional guidance and recommendations that will assist the club to ensure appropriate measures are in place to minimise the potential for alcohol-related harm. This email was supplied to the District Licensing Committee for context.

After carrying out due diligence on the application and applicant the inspector advises that she does not oppose the event.

IN THE MATTER of the Sale and Supply of Alcohol Act 2012

IN THE MATTER of an application by **MANDEEP KAUR SALUJA** pursuant to s.224 of the Act for the renewal of a manager's certificate

BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE

This is an application by **Mandeep Kaur SALUJA** for the renewal of a manager's certificate.

Licensed premises: **Nil at present (Previously: Spice Delight Restaurant).**

REASONS FOR THE DECISION

The applicant holds the prescribed Licence Controller Qualification/s and was working in the industry when the application was made but is not at this time working in the industry. Normally, this would preclude the applicant from being successful in this application however, the Inspector states that the applicant is actively seeking employment within the liquor industry and wishes to retain her certificate to enhance her chances of employment. This is this applicant's first application lodged in the Western Bay of Plenty with the original certificate having been issued by the Tauranga District Licensing Committee.

The Police have not opposed the application. The Licensing Inspector has not expressed any recent concern about the suitability of the applicant.

On this occasion, I am persuaded in light of the explanation provided, to grant the renewal of the certificate. However, **the certificate is to be conditioned that no further renewal will be granted should the applicant not have current employment within the industry**.

The application and supporting information satisfy all the matters to which we must have regard as set out in s.227 of the Act.

No opposition, or notice of desire to be heard, has been received in relation to this application.

Accordingly, the application can be determined on the papers pursuant to s.202(1)(b) and 202(1) of the Act.
