IN THE MATTER

of the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER

of an application by **KLM ENTERPRISES LIMITED** for the renewal and variation of an **ON LICENCE** pursuant to s.120 and s.127 of the Act in respect of premises situated at **168 OMOKOROA ROAD, OMOKOROA** and known as **THE LOCAL BAR & EATERY**.

BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE

THE APPLICATION

This is an application by **KLM ENTERPRISES LIMITED** for the renewal and variation to an **ON LICENCE** in respect of premises situated at **168 OMOKOROA ROAD, OMOKOROA**, known as **THE LOCAL BAR & EATERY**.

The general nature of the business undertaken is that of a **Class 1 Restaurant**.

The renewal/variation application was publicly notified in the Weekend Sun on the 20th and again on the 27th of November 2020. No objections have been received from the public.

The applicant seeks no changes to the licensed days or hours, which currently are:

Interior:

Monday to Sunday 10:00 am to 11:00 pm

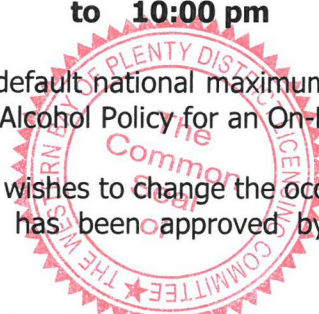

Garden Bar:

Monday to Sunday 10:00 am to 10:00 pm

The existing authorised hours are within both the default national maximum trading hours and the Tauranga and Western Bay of Plenty Local Alcohol Policy for an On-Licence.

The applicant does seek changes to the licence and wishes to change the occupancy licence condition from 30 to 50 persons. This increase has been approved by the planning department under document RC12484.

The Inspector is satisfied that there is sufficient food and that it is of an acceptable quality. A range of low alcohol and non-alcoholic refreshments are also available.

REASONS FOR THE DECISION

The applicant has operated this licence for 12 months and no adverse information has come to light regarding the operation of the premises since the granting of the initial licence.

The Inspector reports that he had cause to intervene with the operations of bar on one occasion as the The duty manager was not authorised or named as a duty manager. This was dealt with through the graduated response process and since then there have been no further concerns.

Neither the Police nor the Medical Officer of Health has raised any matters in opposition.

It should be remembered that the original licence was issued after a public hearing that had significant opposition from the general public. Given that there has been no public opposition to this renewal, is testament to the applicant running the business correctly.

Overall, I am satisfied as to the matters to which we must have regard as set out in s131 of the Act. Accordingly, I will determine the matter on the papers.
