(Resource Management Act 1991, Section 87BA)

Details of persons giving written approval:

Full name: _____
Electronic address for service of person giving written approval: _____
Phone: _____
Postal address: _____
Contact persons (name and designation, if applicable) _____

*I am the owner of the following property:

Address of property: _____
Legal description: _____

OR:

I have authority to sign on behalf of all the other owners of the property.

This is written approval for the proposed activity that is the subject of a deemed permitted boundary activity application.

I have read the description of the activity at the following property [address of the property with the boundary activity] and seen and signed the site plans attached.

In signing this written approval, I confirm that I understand the proposal and understand that the consent authority will permit the applicant to undertake the activity (provided they have supplied the correct information, including all other written approvals required).

I understand that I may not withdraw my written approval.

Signed: _____ **Dated:** _____

*Signature of persons giving written approval (or persons authorised to sign on behalf of persons giving written approval). A signature is not required if you give your written approval by electronic means (note that plans do need to be signed).

Note to the persons signing written approval

You should only sign this form if you fully understand the proposal. You should seek expert or legal advice if you need the proposal or deemed permitted boundary activity process explained to you.

Conditional written approvals cannot be accepted, and written approvals cannot be withdrawn once provided.

There is no obligation to sign this form, and no reasons need to be given.

If you do not sign this form, resource consent may be required for the activity and you may have the opportunity to submit on the application.

If signing on behalf of a trust or company, please provide additional written evidence that you have signing authority.
