

Appendix 5 Schedule of Designations

The following designations and any designations included in the District Plan subsequent to the operative date (16 June 2012) are detailed in this Appendix in brief and additional information may be held on *Council* files, such additional information may include specific conditions on individual designations. Any such conditions may also contain specific reference to the term of the Designation, which establishes the lapse period, if the designation is not given effect to. If no such term of Designation exists then the statutory provisions (five years from the date the District Plan is made operative) shall prevail.
