I/we are applying to Council for rates remission on a rating unit re-zoned at the instance of Council.

We declare that the property has not been purchased by us or otherwise alienated since it was re-zoned at the instance of Council.

We agree that, should this application be approved and the Council directs its valuation service provider to inspect the rating unit and prepare a special rating valuation, we will contribute to the cost of this valuation.

We note that the valuation service provider's decision is final as there are no statutory rights of objection or appeal for valuations done in this way.
