I/we are applying to Council for rates remission for land use for sport and games.

We declare that the land is not used for galloping races, harness races or greyhound races; and the land does not provide any private pecuniary benefit for any members of the society or association of persons that own and use the land.

If accepted, we declare we will notify Council in writing of any changes to our status prior to the commencement of the rating year.

Council reserves the right to cease the remission in the event that the land no longer meets the eligibility criteria of this policy.
