Roading

Station road Junction

Clark road is not a good option

Traffic calming Signs are not working

Accidents - Truck Roll over -

Egress - Degress, Entry - Exit Poor at Best

Sealed Entries, Dirt on Station road

*

Drainage

Storm water Drainage - Nun

Obd ponds - Silt Fencing

Contaminated oil, Rubber, Cilica, ASpectos

in the Hakao Stream - into the river

*

Clean fill.

Was mix metals, concrete, Trees,
animal carcass, at least.

2005

rezoning, earlier - 20 year the community
has put up with all manner of.

cost \$

what has this cost, Rates, Recours,
where does it end. How much \$.

*

Recours consent

No nun. operating with out consent.
illegal? - People living in removal

Houses - land leasing out to Business

Dunny incident

- vandised sign.

All Responsible

Pour Barry - Western bay are
as much to Blame for letting this
continue for 20 years
