Driveway

Do you share a driveway entrance? Yes No
If you answer 'yes' and a number is already issued, please read information overleaf.

Is your driveway on a private road? Yes No
If you answer 'yes' and a number is already issued, please read information overleaf.

With this application, please provide a map that clearly shows the driveway, or proposed driveway, to the property Yes No

For office use only

Allocated number: _____ Date of issue: _____

Building consent number: _____

Received:	Initials	Date
Parcel maintenance:	Initials	Date
Valuation records updated:	Initials	Date
LINZ advised:	Initials	Date

Rural address property identification numbering

The Western Bay of Plenty District Council has implemented a system that issues a number to the entrance of rural properties in its area.

How is the number allocated?

The number you are allocated is based on a measurement system. Your entranceway is measured from the start of your road in metres and the last digit is dropped. If the entrance to your driveway has been measured at 2213 metres from the beginning of your road, your number will be 221. All odd numbers will be on the left hand side of the road and even numbers will be on the right.

Entrances on SH2 between Tauranga and Katikati are measured from the roundabout at the intersection of Waihi and Cambridge Roads and are known as SH2 Tauranga West numbers.

Those beyond Katikati are known as SH2 Katikati North numbers. Entrances between Tauranga and Te Puke are measured from the Maungatapu roundabout and are known as SH2/Te Puke Highway West numbers.

Those beyond Te Puke are known as Te Puke Highway East. State Highway 29 entrances are measured from the Maungatapu roundabout, while the intersection of SH2 and SH33 is the origin of the SH33 numbers.

Shared Driveway (A,B,C...)

Driveway entrances that give access to more than one property will only have one number that applies. The first property accessed off the driveway is issued with suffix A, the next property is issued with suffix B and so on.

Private Road

Numbers are not allocated to individual properties that are on a private road. Council will only measure to the end of the Council roadway. Again, property owners should further identify their property by using A B C etc. Rural delivery numbers must still be used in your address e.g. R D 1, as well as your full road address.

If you have any queries please contact the Customer Service Team:

- at our Libraries and Service Centres:
 - Waihi Beach Library & Service Centre, 106 Beach Road, Waihi Beach
 - Katikati Library & Service Centre, The Centre - Pātuki Manawa, 21 Main Road, Katikati
 - Ōmokoroa Library & Service Centre, 28 Western Avenue, Ōmokoroa
 - Te Puke Library & Service Centre, 130 Jellicoe Street, Te Puke
 - Council's Main Office, Barkes Corner, 1484 Cameron Road, Greerton, Tauranga
- by email at info@westernbay.govt.nz
- by phone on 0800 926 732

Rural property identification numbering will enable the easy identification of your property for Emergency Services.
