## Grab bags

If you need to evacuate in a hurry, take your essential supplies in a grab bag.

Tick items

Phone and charger

Torch

Batteries

Wallet, cash and ID

Medication

Water and snacks

Car and house keys

Hand sanitiser, mask

Radio

Water for three days or more (at least 9 litres for every person).

Long-lasting food that doesn't need cooking (unless you have a camping stove or gas barbecue).

Toilet paper and large plastic buckets for an emergency toilet.

BQ or gas stove to cook on

Know the hazards and associated risks in your area.

## Hazards in the Western Bay of Plenty

**Tsunami**

If the earthquake is long or strong, Move to the nearest high ground or as far inland as possible.

**Earthquake**

Expect aftershocks. Move to the indoors.

**Volcano**

If ash fall is forecast, head home and stay indoors.

**Landslide**

Check if your area is prone to landslides.

**Storm**

Keep up to date with MetService weather forecasts.

**Flood**

If you see rising water, head for high ground.

## Make a household emergency plan

What would you do in an emergency?

Are you prepared for any of the following situations?

No internet or phone

Where will the dog go?

Who will help Gran and Koru?

Can't get home

Need to evacuate

Talk to your whānau about how you will get through an emergency. Consider:

If you can't get home, where will we meet?

Who will pick the kids up from school/day care if we can't?

If we can't get hold of each other, who will we check in with?

Who:

If we need to evacuate, where will we go?

Who:

Who might need extra help?

Who:
