**THE APPLICATION**

This is an application by **BRANDROOT 2020 LIMITED** for an **ON LICENCE** in respect of premises situated at **15C MINDEN ROAD, TE PUNA**, known as **TE PUNA SPORTS BAR.**

The general nature of the business to be undertaken is that of a **ON LICENCE - TAVERN.**

Days and hours sought

**Monday to Sunday                    10:00 am to 1:00 am the following day**

These hours are in line with those permitted in the Tauranga and Western Bay of Plenty Local Alcohol Policy.

The application was notified in the Weekend Sun on the 22nd and again on the 29th of January 2021. There have been no objections to the application received from members of the public by the DLC Secretariat.

The application is made because of a change of ownership. The applicant currently trades under a Temporary Authority expiring on 14 March 2021.

The Inspector reports that there have been no issues raised regarding the building code or the Resource Management Act 1991. The certificate of compliance has been signed off by the planning team and the building team.

The application has received supportive reports from the Inspector and the Police. The Medical officer of Health also has no matters in opposition.

**REASONS FOR THE DECISION**

The applicant is a private limited company that was incorporated on 12 November 2020. The Inspector reports that although the applicant is relatively new, the director also owns and operates several other licensed premises within the Western Bay of Plenty. No information has come to light with regards to the director with respect to managing his other licensed premises.

We note from the Inspector's report that the food being offered is minimal at best. After discussing the matter with the applicant, the Inspector is now satisfied that the food offered will be in line with that currently on offer at another of the applicants' premises in Putaruru.

The applicant has requested a restricted area for the gaming area. The Inspector does not support this, and I agree. The designation of gaming areas is not the purview of the Sale and Supply of Alcohol Act 2012. The Authority commented in **Thomas Edmund Leon Downes PH 485/2002 and Sporting Investments Limited PH 486/2002** at paragraph 49 that "*a designation is inappropriate on the basis that the sale, supply or consumption of alcohol is not the principal or exclusive activity.*"

A designation of supervised will be applied to the areas where the sale, supply or consumption of alcohol takes place. If the applicant chooses to designate the gaming area as a Restricted Area as a result of obligations under the Gambling Act 2003, that is a matter for them.

Given that this is an application for a new on-licence, it is important that the applicant understands that the first year is often called the 'probationary year' and that the regulatory agencies will be monitoring how the licence is being operated.

Overall, I am satisfied as to the matters to which we must have regard as set out in s.105 & 106 of the Act.

The application is considered on the papers.

### **DECISION**

The District Licensing Committee, acting pursuant to the Sale and Supply of Alcohol Act 2012, **grants** an application by **Brandroot 2020 Limited** ("the licensee") for a new ON Licence in respect of premises situated at 15C Minden Road, Te Puna to be known as "The Te Puna Sports Bar" subject to conditions.

5. Food must be available for consumption on the premises at all times the premises are open for the sale and supply of alcohol, in accordance with the catering menu supplied

with the application for this licence or menu variations of a similar range and standard. Menus must be visible, and food should be actively promoted.

of an application by **JJS ENTERPRISES LIMITED** for an **OFF LICENCE** pursuant to s.100 of the Act in respect of premises situated at **112 MAIN ROAD, KATIKATI** and known as **THE BOOHAI**.

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE**

**THE APPLICATION**

This application submitted by **JJS ENTERPRISES LIMITED** is for a renewal of an **OFF LICENCE** in respect of premises situated at **112 Main Road, Katikati**, known as **The Boohai Thirst Liquor**. Its current Off Licence 022/Renoff/7030/2017 has a 12 December 2020 expiry date.

The general nature of the business to be undertaken is that of a **OFF LICENCE - TAVERN**.

Days and hours sought are Monday to Sunday 8.00a.m. until 10.00pm.

The applicant is a limited private company incorporated on 9 September 2016 and trading since 12 December 2016.

This is the applicant's second renewal application with no changes to the current licence are being sought.

Eligibility for an off-licence may be renewed for this kind of premises because it meets the description found at section 32(1) (a) of the Act.

The criteria found at section 131 of the Sale and Supply of Alcohol Act 2012 (the Act) also applies to this application.

**REASONS FOR THE DECISION**

Neither the Police nor the MoH have opposed this application.

The application was publicly notified The Weekend Sun:

First Notice 20 November 2020

Second Notice 27 November 2020

The objection period expired on 11 December 2020 with no public objections have been submitted.

Based on the information provided in the application and an inspection of the premises, the Inspector considers the applicant's proposal for the sale and supply of alcohol is consistent with the purpose of the Act and meets the criteria under section 131 of the Act thereby he does not oppose this application reporting that:

He held a discussion with the duty manager on 10 December 2020 during an inspection of the premises and found that the duty manager appears to be aware of their responsibilities under the Act and has no concerns with the applicant's suitability.

No adverse information has come to light regarding the operation of the premises over the last renewal period. No concerns have been reported from the agencies regarding the operation and/or conduct of the premises or the directors.

No information has come to light to indicate the sale or supply of alcohol has not been managed appropriately or for that matter how the applicant has displayed, advertised, or promoted alcohol. Apart from alcohol, the bottle store side of the tavern also sells tobacco products, soft drinks and snacks.

The applicant seeks no changes to the licensed days or hours, which currently are Monday to Sunday: Hours: 8.00 am to 10.00 pm. The Local Alcohol Policy stipulates the maximum hours for an off-licence are: 7.00 am to 10.00 pm the following day. Thereby the hours sought are within the hours permitted under the local alcohol policy.

The principal entrance is accessed off the roadway at 112 Main Road, Katikati, a township covered by a liquor ban. There is immediate parking outside the front entrance to the bar.

There have been no issues raised in regard to the Building Code or the Resource Management Act.

The premises is a Tavern with an internal bottle store (off-licence) situated on the Main Road within the township of Katikati. There is designated off-road car parking outside the front of the premises. The tavern has TAB area, a gaming room with 14 gaming machines, an outside smoking area (with TV) and a main room that incorporates the bar, tables and chairs. Under the same roof, but on the opposite to where the bar is situated is the small bottle store. The bottle store consists of shelved products such as wine and spirits and a chiller room where all the beer and RTDs are kept cold. The area is easily overseen by the duty manager.

The entire premises is designated as supervised and is licensed.

The applicant has requested the licensed area of the bottle store is designated as supervised.

The Inspector visited the premises on 10 December 2020 during a time when there were renovations being carried out the expected signage such as the Intoxication and Minors signs weren't displayed. Advice was provided to ensure they were displayed adjacent to the till. There was a duty manager present and named. There were no concerns with any promotions. There appeared to be sufficient levels of staff to manage the premises effectively and the applicant appears to have appropriate systems, staff, and training to comply with the law.

There are several licensed premises within Katikati, which include bottle stores, supermarkets, a hotel, cafes and clubs. The majority of shops and services within Katikati are situated along the Main Road leading into and out of Katikati. The local surrounding area is zoned as commercial under the district plan.

In the last three years no complaints regarding any problems originating from the off-licence aspect of the tavern have been received.

The Inspector is not aware of any concerns relating to noise, nuisance or vandalism relating to the store under the control of the current applicant.

There are no negative reports from the police and no visual signs of crime in the local vicinity. There is nothing to suggest the premises are associated with criminal behaviour as the premises are well kept and has a tidy appearance within the store and from the outside. Likewise, there is no reason to believe the amenity and good order of the locality would likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence.

The Inspector after carrying out due diligence in respect to the application considering that the granting of this application would not achieve the object of the Act.

Subject to no new or contrary evidence being presented this application thereby meets the criteria found at section 131 of the Sale and Supply of Alcohol Act 2012 (the Act) applies to this application.

## **THE DECISION**

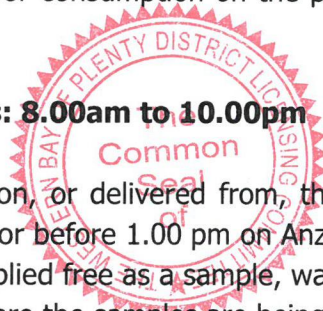

The District Licensing Committee Chairman, acting pursuant to the Sale and Supply of Alcohol Act 2012, **grants** an application by **JJS Enterprises Limited** trading as **The Boohai Thirty Liquor** an **Off Licence** over premises situated at 112 Main Road, Katikati, subject to the following conditions.

Overall, I am satisfied as to the matters to which we must have regard as set out in s131 of the Act.

Accordingly, I will determine the matter on the papers.
