A PROUD INITIATIVE OF

Chrome Collective is an initiative that provides training, employment opportunities, and advocacy services to individuals with disabilities, helping them integrate into the wider community and create meaningful micro-businesses. The goal is to enable full participation in life on the same level as non-disabled individuals.

SUPPORTED BY

IT'S TIME TO TAKE ACTION!

Rescue reusable items from the landfill abyss and give them a new lease of life by selling, repairing, or upgrading them!

LET'S

GO

AND

RECOVER

RESOURCES

FOR THE

Katikati **Recovery** Centre

WHAT WE

DO

Working together for a Waste Free Western Bay of Plenty!

We're on a mission! For the next six months, we'll be gathering precious resources to start a Community Resource Recovery Centre at the Katikati Recycling Centre. Get ready for a resourceful adventure!

Chrome Collective, with the support of Western Bay of Plenty District Council is trialing the recovery of resources that were destined for landfill. The Centre will operate as a social enterprise for the Chrome Collective. We aim to generate revenue from the sale of goods and materials contributed by the local community.

Boom! This revenue will be the rocket fuel that keeps Chrome soaring, while also creating jobs for superhuman folks with disabilities and, wait for it, saving Mother Earth!

WHAT DO WE OFFER

RE-USABLE GOODS DROP-OFF SERVICE

Drop-off for goods are at the front of the shed only. Just follow signage.

The drop-off hours for goods are aligned with the Katikati Recycle Centre open hours only.

Thursdays
9:00am - 4:00pm

Saturdays
9:00am - 4:00pm

PLEASE NOTE

All normal recycling services will continue around the back of the shed.
