Western Bay's mobile recycling service is making the rounds!

Here's what you need to know

What is the service and how will it work?

The service sees two recycling trailers – Recyclosaurus Rex and Sustainabox – travelling between Omanawa, Pongakawa and Te Ranga – providing a recycling service to people who don't get Council's Kerbside Collective service.

Trailers will visit each location fortnightly on a Saturday, alternating between locations.

At the end of the session the trailer and contents will be removed for consolidation at our recycling centres, ready for its next scheduled outing.

Free for residents of the Western Bay

The mobile recycling units are custom built trailers that have been funded by Council through the Waste Minimisation Fund, with support from the Glass Packaging Forum.

Why did Council start the service?

We are committed to helping our rural community with their waste minimisation efforts. This service will primarily serve the rural residents who don't qualify for kerbside collection services, and have to travel a long way to get to a recycling facility.

We know that people want to do the right thing, but we needed to provide them with an easier option for recycling. So we agreed to explore alternative recycling options for our rural communities through the Long Term Plan 2021-31.

How will we stop people from dumping rubbish in the mobile recycling centres?

A Council team member will stay with the mobile recycling units at all times. They will be available to help people sort their recycling correctly and ensure that the trailer isn't contaminated with unrecyclable items.

The schedule was set based on your feedback and will be regularly reviewed to meet the District's needs.

Send your feedback to:
info@westernbay.govt.nz

Sign up for reminders

For reminder notifications straight to your mobile each fortnight, make sure you download the Antenna app – available on the App Store and Google Play.

You'll receive an alert to remind you when the mobile recycling trailer will be in your neighbourhood (plus other Council information if you wish).

It's super easy to set up - no login details required, and it's free!
