of the Sale and Supply of Alcohol Act 2012

**AND**

**IN THE MATTER**

of an application by **BOWENTOWN BOATING AND SPORT FISHING CLUB INCORPORATED** for a **CLUB LICENCE** pursuant to s.100 of the Act in respect of premises situated at **26 PIO ROAD, BOWENTOWN** and known as **BOWENTOWN BOATING AND SPORT FISHING CLUB.**

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE**

**THE APPLICATION**

This application, submitted by the **Bowentown Boating and Fishing Club Incorporated** (incorporated under the Incorporated Society's Act 1908, on 7 September 1953), trading as the Bowentown Boating and Fishing Club from 26 Pio Road Bowentown; seeks a renewal of its Onsite Licence.

The general nature of the business undertaken is a **CLUB LICENCE - CLASS 1 (1,520 members).**

Current trading hours are:

Monday to Sunday: **10.00 am to 1.00 am the following day.**

The Club's primary purpose is boating and fishing; although it has a restaurant known as **BOWENTOWN BOATING AND SPORT FISHING CLUB.** Its principal entrance is accessed from the main entrance at 26 Pio Road, Bowentown.

The applicant does not seek any changes to the licence.

Jocelyn Madsen is the Club's Secretary.

The criteria found at section 131 of the Sale and Supply of Alcohol Act 2012 (the Act) applies to this application. Section 60 (1) (b), 60 (2), 60 (3) (c), and 61 (a) of the Act also require consideration.

## **REASONS FOR THE DECISION**

Neither the Police nor The Medical Officer of Health, when reporting on the application, opposed the application.

The application was publicly notified in the Waihi Leader and no public objections were received.

Based on the information provided in the application and an inspection of the premises, the inspector considers the applicant's proposal for the sale and supply of alcohol is consistent with the purpose of the Act and meets the criteria under section 131 of the Act.

The Inspector does not oppose the application reporting that:

- When conducting a site visit on 21<sup>st</sup> May 2023 and meeting Stu Curd (the Club Commodore) and the named Manager on duty, all required signage was clearly displayed. Food, low and non-alcoholic beverages were available. Free water was also available. No issues were identified with the operation of the premises in accordance with the object of the Act not any information regarding the conduct of its members.
- The applicant appears to be aware of the Club's responsibilities under the Act and there are no concerns with the applicant's suitability.
- There have been no issues raised regarding the Building Code or the Resource Management Act.
- There are no concerns with the design and layout of the premises being a boating and fishing club consisting of a club house and a restaurant open to the public. It is situated adjacent to Tauranga harbour with a boat ramp and a large gantry. The licensed area is the entire premises, including the outside parking areas and the newly extended upper floors. The licensed area is more precisely defined on the plan date stamped as received by Western Bay of Plenty District Council on 10 March 2023.
- The premise does not require a designation as the principle business is the sale of food.
- The duty manager of the restaurant appears aware of the rules; knowing only members and their guests can order and consume alcohol.
- Alternative contracted transportation can be made available.
- The applicant appears to have appropriate systems, staff, and training to comply with the law.

- The premises are situated on Pio Road in Bowentown are well kept, tidy and looked after by the members.
- The inspector has no concerns in respect to the location or the operations of the club affecting the local inhabitants.
- To date no complaints have been received regarding the club activities or the actions of its members. Bowentown is covered by a 24-hour liquor ban. The inspector is unaware of any concerns relating to noise, nuisance or vandalism relating to the club. There have been no negative reports from the police and no visual signs of crime in the local vicinity. There is no information to suggest the premises are associated with criminal behaviour. Therefore, there is no reason to believe the amenity and good order of the locality would likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence.
- Reference to the Act:
  - Section 60 (1) (b) The applicant wishes to have an additional condition on the licence to allow an authorised visitor to invite a guest into the premises and that guest can purchase alcohol noting:
    - Section 60 (2) The applicant does not hold an off-licence.
    - Section 60 (3) (c) The applicant shares reciprocal rights arrangements with Waihi Beach RSA, Waihi Beach Lifesaving club and clubs affiliated with New Zealand Sport Fishing Council.
    - Section 61 (a) The club secretary is Jocelyn Madsen.

There appears to be no membership concerns.

After conducting a site visit and receiving all appropriate information the Inspector reports there is nothing to suggest that the granting of this application would not achieve the object of the Act thereby does not oppose this application.

The Local Alcohol Policy stipulates the maximum hours for a Club licence are: 9.00 am to 1.00 am the following day. The hours sought are comply with the requirements of the Local Alcohol Policy, as it applies to the premises.

Thereby subject to no new or contrary evidence being presented I am satisfied as to the matters to which we must have regard as set out in s.131 of the Act.

The District Licensing Committee Chairman, acting pursuant to the Sale and Supply of Alcohol Act 2012 (the Act), approves an application submitted by the **Bowentown Boating**

of the Sale and Supply of Alcohol  
Act 2012

**AND**

**IN THE MATTER**

of an application by **ANGELIN ENTERPRISES LIMITED** for renewal of an **OFF LICENCE** pursuant to s.127 of the Act in respect of premises situated at **15C MINDEN ROAD, TE PUNA** and known as **BOTTLE CRAFT TE PUNA**.

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE**

**THE APPLICATION**

This is an application by **Angelin Enterprises Limited** for renewal of an **Off licence** in respect of premises situated at **15C Minden Street, Te Puke**, known as **Bottle Craft Te Puna**.

The general nature of the business to be undertaken is that of a **Off licence – Bottle Store**.

The business is a bottle store where the principal business is the sale of alcohol and meets the criteria of s.32(1)(b) of the Act where more than 85% of the annual sales revenue is earned from the sale of alcohol for consumption somewhere else.

The applicant is a limited private company incorporated on 28 July 2020 with Barinderpal Singh and Simranjit Singh being the shareholders/directors. This is the applicant's first renewal application.

The current days and hours of operation are:

**Monday to Sunday**                      **10:00am**                      **to**                      **10:00pm**

The applicant seeks to change the existing authorised hours to a one hour earlier opening time and closing one hour earlier. The current Local Alcohol Policy stipulates maximum trading hours of 7.00 am to 9.00 pm. Therefore, the trading hours that apply to this renewal will be:

**Monday to Sunday**                      **9.00am**                      **to**                      **9.00pm**

As the premises is a bottle store where the principal business is selling alcohol, the entire premises is designated as a Supervised Area.

The Inspector reports that the premises are a generic bottle store layout and is well kept with a tidy appearance. There are no concerns over the way that the premises has been conducted under the current existing licence.

## **Public Notification**

The application was publicly notified in the Weekend Sun version of the Bay of Plenty Times on the 25<sup>th</sup> of November and again on the 2<sup>nd</sup> of December 2022. No objections to the application were received by the secretariat.

The Inspector has commented that the trading name of the premises was stated incorrectly in the public notification, 'Te Puna Wines and Spirits' instead of 'Bottle Craft Te Puna'. The Agent for the applicant has submitted that the discrepancy was an oversight and not deliberate. The Inspector on the other hand is of the view that the discrepancy could still have had the potential to disadvantage the public. The issue here is between real and potential disadvantage. Standing back, I am of the view that a waiver under s.208 is appropriate on this occasion as to require readvertising in my view, would be unlikely to affect the outcome of the public notification.

## **REASONS FOR THE DECISION**

No additional information has come to light to indicate the sale or supply of alcohol has not been managed appropriately or for that matter how the applicant has displayed, advertised, or promoted alcohol.

The Inspector reports that there is no reason to believe the amenity and good order of the locality would likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence.

The Police have not reported on the application so pursuant to s.104(3) of the Act it can be assumed that there are no matters in opposition.

The Medical Officer of Health on the other hand did report but did so outside the 15 working days required under s.104(3) of the Act. While not opposing the application some concerns were raised over the earlier 9.00 am opening time being sought.

Overall, I am satisfied as to the matters to which we must have regard as set out in s.131 of the Act.

## **DECISION**

The District Licensing Committee Chair, acting pursuant to the Sale and Supply of Alcohol Act 2012, **approves** the application by **Angelin Enterprises Limited** for renewal of an Off-licence in respect of premises situated at **15C Minden Street, Te Puna** known as "**Bottle Craft Te Puna**", subject to conditions.

Whakamarama to be known  
as "The Brewed Nest "

### **DECISION OF THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE**

#### **THE APPLICATION**

**Chilter Limited** applies for an OFF Licence in respect of premises situated at 325C Esdaile Road, Whakamarama to be known as "**The Brewed Nest.**"

The business is an apiary offering farm tours, honey and other bee products. The applicant plans to manufacture mead from the honey on-site and meads sales will be complementary to the other goods sold. Consequently, an off licence can be considered pursuant to Section 35.

The business is based around a rural dwelling and has been issued with a building and planning certificate advising that the proposed use of the premises meets the town planning and building code requirements.

The application is not opposed by the Police (no report within the statutory time lines) or the Medical Officer of Health.

The application was in the BOP Times on the 27<sup>th</sup> of April 2023 and the 4<sup>th</sup> of May 2023 and no objections have been received from members of the public.

## REASONS FOR THE DECISION

The application is complete and contains all the supporting documents as required under s.100 of the Act. It was duly advertised and no objection, or notice of desire to be heard, has been received.

Neither the Police, nor the Medical Officer of Health, raise any matters in opposition.

In relation to this application, the Committee is satisfied that the operation will be low risk, and not one which would require a manager to be on duty at all times when alcohol is sold for off-site delivery.

The licensee must have a certificated manager properly appointed to the business, but, pursuant to sections 214 and 215, that manager does not need to be physically on duty at all times.

The application meets the criteria of Section 35 of the Act.

Overall, I am satisfied that the applicant plans to carry out the business of an apiarist manufacturing mead containing alcohol, and of the matters to which we must have regard as set out in the Act.

Accordingly, I deal with the matter on the papers.

## DECISION

The District Licensing Committee Chairman, acting pursuant to the Sale and Supply of Alcohol Act 2012, **grants** an application by **Chilter Limited** for an OFF Licence in respect of premises situated at 325C Esdaile Road, Whakamarama to be known as "**The Brewed Nest**" subject to conditions.
