IN THE MATTER of the Sale and Supply of
Alcohol Act 2012(the Act)

AND

IN THE MATTER of an application by **David
Justin Agnew ("the
licensee")** pursuant to s.100
of the Act for a new ON
Licence in respect of
premises situated at 1
Warner Road, Oropi,
Tauranga to be known as
"Oropi Hot Pools, Café &
Beauty Spa"

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING
COMMITTEE**

The Application

David Justin Agnew ("the licensee") applies for a new ON Licence in respect of premises situated at 1 Warner Road, Oropi, Tauranga known as "**Oropi Hot Pools, Café & Beauty Spa**"

The applicant has recently taken over the business and currently operates under Temporary Authority.

The application was notified in the Weekend Sun on the 14th and 21st of August 2020 and no objections were received from members of the public.

The days and hours sought are **Monday to Sunday 10.00am to 10.00pm**. These hours are within the Tauranga and Western Bay of Plenty Local Alcohol Policy.

The applicant has provided a detailed menu of the food options and the low alcohol and non-alcoholic refreshments that will be available.

A Building and Planning Certificate has been sought and issued showing the activity meets Town Planning requirements and those of the Building Code.

REASONS FOR THE DECISION

The applicant has only one certificated manager attached to the business at this time, but more are to be appointed.

The applicant has received supportive reports from the Inspector and the Police. The Medical Officer of Health also has no matters in opposition.

The inspector reports that the amenity and good order of the area is unlikely to be adversely affected by more than a minor extent and that the applicant has sound host responsibility practices.

The Inspector has raised the issue of alcohol consumption in and around hot pools. The applicant is aware of the dangers of such, and does not permit alcohol to be consumed in the pools, nor can persons affected by alcohol use the pools.

By consent two conditions relating to these concerns will be imposed.

The Committee agrees that the sale, supply and consumption of alcohol will have to be overtly managed by the applicant.

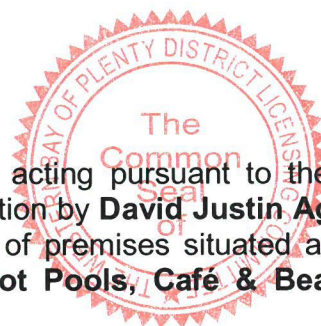

The first year of a new licence is often called the 'probationary year' and no doubt the regulatory agencies will monitor the licence closely.

Overall, I am satisfied as to the matters to which we must have regard as set out in s.105 & 106 of the Act.

We consider the application on the papers.

BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE

THE APPLICATION

THE REASONS FOR THE DECISION

The Inspector has provided a report on the application and believes the application meets the criteria for issue.

Neither the report of the Police nor that of the Medical Officer of Health raises any matters in opposition.

As we said in February 2019

“...we accept that in small communities the local sports clubs can become the hub of social activity and that’s a good thing too.

We raise an eyebrow to let the Club know that there needs to be a level playing field for all licence holders and that the special privileges that Clubs hold, should be preserved and respected.”

Club licences and club facilities are primarily for the use of members. We are sure that opportunity to ‘fly under the radar’ is only as secure as the Club’s ability to manage events, such as these, safely and responsibly.

We also remind the Club to be fully aware of, and comply with, any prevailing COVID-19 restrictions should there be any, at the time of these events.

Subject to the above, I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.
